

Year 11 Summary by subject outline for Parents, Students & Staff – outline v1 30th Jan

Religious Studies GCSE Extra-curricular Provision:

All Year 11 students will be sitting the Edexcel RE GCSE examination this year and as a department, we are offering additional support with after school revision sessions. These one hour 'power' revision sessions will take place every Wednesday in room S29, with department teachers tailoring the time to help students get the very best out of their revision, making it smart and effective.

The sessions will cover specific areas of the three papers and there will be opportunity for students to:

- examine model answers, taking the role of examiner in identifying excellent practice
- participate in retrieval quizzes – designed to help students learn the GCSE material accurately and to be able to recall it from their long-term memory
- discuss and debate issues to help build skills in analysis and evaluation
- practice GCSE style questions

Time will also be allocated for students to ask questions and request areas of focus in future sessions.
