Notre Dame High School

Policy Consultation & Review

This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school newsletter.

We recognise the expertise our staff builds by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are missing from education. In addition, all staff are provided with Part One of the statutory guidance ['Keeping Children Safe in Education'](#), DfE (2020).

This policy will be reviewed in full by the Governing Body on an annual basis. This policy was last reviewed and agreed by the Governing Body on 9 October 2019. It has been updated in line with the updated September 2020 KCSIE guidance, comes in to effect from 1st September, and is due for ratification by the Full Governing Body on 7th October 2020.

1. PURPOSE & AIMS

1.1 The purpose of Notre Dame High School's safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment;
- Prevent impairment of our children's and young people's mental and physical health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
- Undertake that role so as to enable children and young people at our school to have the best outcomes.

1.2 This policy will give clear direction to staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.

1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. The elements of our policy are prevention, protection and support.

1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from school or who go missing from education, particularly on repeat occasions. The Attendance Lead will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent pupils and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. OUR ETHOS

2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at our school play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the **best interests** of the child.

2.3 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose.

2.4 Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. It will include covering relevant issues through Relationship Education, Relationships and Sex Education and Health Education. This will also be extended to include material that will encourage our children to develop essential life skills. Teaching pupils about how to stay safe and behave online, including identifying risks and how and when to seek support is crucial. Further information can be found in the DfE guidance [‘Teaching online safety in school.’](#) PSHEE, science, RE and ICT curricula; School Nursing Team; PCSO (Safer Schools Partnership);

2.5 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children](#) (2018) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#).

2.6 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- is at risk of modern day slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.

This includes the responsibility to provide a safe environment in which children can learn.

The Governing Body

3.2 The Governing Body of Notre Dame High School is accountable for ensuring the effectiveness of this policy and our compliance with it. Although our Governing Body takes collective responsibility to safeguard and promote the welfare of our pupils, we also have a named governor who champions safeguarding within the school.

3.3 The Governing Body will ensure that:

- The safeguarding policy is in place and is reviewed annually, is available publicly via our school website and has been written in line with Local Authority guidance and the requirements of the Norfolk Safeguarding Children Partnership policies and procedures;
- The school contributes to inter-agency working in line with in line with Working Together to Safeguard Children (2018);
- A senior member of staff from leadership team is designated to take the lead responsibility for safeguarding and child protection and that there is a deputy

DSL(s) who is appropriately trained member to deal with any issues in the absence of the Designated Safeguarding Lead (DSL). There will always be cover for this role. The role will be evidenced in the role holder's job description.

- All staff receive a safeguarding induction and are provided with a copy of this policy, the staff code of conduct, the behaviour policy and the schools safeguarding response for those pupils who go missing in education as detailed section 6 of this policy.
- All staff undertake appropriate child protection training that is updated annually and on-line safety training;
- Procedures are in place for dealing with allegations against members of staff and volunteers in line with statutory guidance;
- Safer recruitment practices are followed in accordance with the requirements of ['Keeping Children Safe in Education'](#) DfE (2020);

This policy includes detailed information on the procedures and processes to follow regarding peer on peer abuse, the recognition of it and the different forms it may take.

- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 The governing body will receive a safeguarding report at each meeting that will record the training that has taken place, the number of staff attending and any outstanding training requirements for the school. It will also record all safeguarding activity that has taken place, for example, meetings attended, reports written, training or induction given. It will not identify individual pupils.

The Headteacher

3.5 At Notre Dame High School the Headteacher is responsible for:

- Identifying a senior member of staff from leadership team to be the Designated Safeguarding Lead (DSL);
- Identifying alternate members of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role;
- Ensuring that the policies and procedures adopted by the governing body, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
- Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
- Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Lead (DSL)

3.6 The Designated Safeguarding Lead is a senior member of staff, from the

leadership team who takes lead responsibility for safeguarding and child protection within our school. The DSL will carry out their role in accordance with the responsibilities outlined in Annex B of *'Keeping Children Safe in Education'*.

3.7 The DSL will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child's safety or welfare will be recorded in writing and given to the DSL.

3.8 During term time the designated safeguarding lead and or a deputy will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the school site in person, we will ensure that they are available via telephone and any other relevant media.

3.9 The DSL at Notre Dame High School will represent our school at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSL will liaise with Children's Advice and Duty Services (CADS) and other agencies where necessary, and make referrals of suspected abuse to Children's Advice and Duty Services (CADS), take part in strategy discussions and other interagency meetings and contribute to the assessment of children.

3.10 The DSL will maintain written records and child protection files ensuring that they are kept confidential and stored securely.

3.11 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained within the school to the agreed school's [safeguarding training pack](#) provided by Children's Advice and Duty Services (CADS).

3.12 The DSL will obtain details of the Local Authority Personal Advisor appointed to guide and support a child who is a care leaver.

3.13 We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour and mental health. The DSL will use the information that they hold about children with a social worker to make decisions in the best interests of the child's safety, welfare and help promote educational outcomes. The DSL will ensure that staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

4. TRAINING & INDUCTION

4.1 When new staff join our school they will be informed of the safeguarding arrangements in place. They will be given a copy of our school's safeguarding policy along with the staff code of conduct, Part one and Annex A of *'Keeping Children Safe in Education'* and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. All staff are expected to read these key documents. They will also be provided with the recording form, given information on how to complete it and who to pass it to.

4.2 Every new member of staff or volunteer will receive safeguarding training prior to their induction period, or within the first month of, joining the school. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child, how to record, the process for referral to Children's Advice and Duty Services (CADS) and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistle-blowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive on-line safety training as this is part of the overarching safeguarding approach of our school.

4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of *'Keeping Children Safe in Education'*. In order to achieve this, we will ensure that:

- all members of staff will undertake appropriate safeguarding training on an annual basis in accordance with Norfolk Safeguarding Children Partnership advice and we will evaluate the impact of this training;
- all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.
- Safeguarding Team attend courses to inform knowledge and practice; information is then disseminated to staff and governors.
- All governors are required to attend safeguarding training.

4.4 All regular visitors, temporary staff and volunteers to our school will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. All temporary staff and volunteers are expected to attend safeguarding training, read the Keeping Children Safe in Education Document; signing to confirm they have done so. If there is a delay e.g. emergency cover or supply a safeguarding pack will be given to the member of staff; they are expected to sign to confirm they have read and understood the information provided. (See Appendix 2).

4.5 The DSL, the alternate designated member(s) of staff and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Norfolk Safeguarding Children's Partnership at

least once every three years. The DSL and alternate will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, DSL will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role. The DSL will also be accessing e-courier, disseminating national and local updates to staff, attending DSL cluster meetings and Local Safeguarding Children's groups and through Personal Development.

4.6 Our governing body will also undertake appropriate training to ensure they are able to carry out their duty to safeguard all of the children at our school. Training for Governors to support them in their safeguarding role is available from [Norfolk Governor Services](#).

4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex A of '*Keeping Children Safe in Education*' (2020) provides links to guidance on specific safeguarding issues such as Child Sexual Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk Safeguarding Children Partnership and within the Safeguarding Section of the Norfolk Schools website: <http://www.schools.norfolk.gov.uk/safeguarding>.

5. PROCEDURES FOR MANAGING CONCERNS

5.1 Notre Dame High School adheres to child protection procedures that have been agreed locally through the Norfolk Safeguarding Children's Partnership. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Threshold Guidance](#).

5.2 Every member of staff including volunteers working with children at our school are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outline in this policy.

5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.

5.4 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.5 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitor to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.6 All concerns about a child or young person should be reported without delay and recorded in writing using the agreed template (see Appendix 1).

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from Children's Advice and Duty Services (CADS) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Norfolk Children's Advice and Duty Services (CADS) procedures as outlined in Appendix 3.

5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Children's Advice and Duty Services (CADS) immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Headteacher. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Children's Advice and Duty Services (CADS), or the police if:

- the situation is an emergency and the designated senior person, their alternate and the Headteacher are all unavailable;
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Headteacher or the Chair of Governors. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Children's Advice and Duty Services (CADS) directly with their concerns.

6. Specific Safeguarding Issues

Contextual safeguarding

6.1 At Notre Dame High School we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the school environment and/or can occur between children outside of the school. This is known as contextual safeguarding. It is key that all school staff understand the

definition of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges and these are discussed in staff training. These additional barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

6.3 At Notre Dame High School we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE): County Lines

6.4 At Notre Dame High School we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 At Notre Dame High School we recognise that Child Sexual Exploitation is a form of child sexual abuse and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact, it can also occur through the use of technology.

6.6 At Notre Dame High School we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to

suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs. If a child is suspected to be at risk of or involved in county lines, a referral to the Children's Advice and Duty Service (CADS) will be made, alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

So-called 'Honour-abuse' (including Female Genital Mutilation and Forced Marriage)

6.7 At Notre Dame High School we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' violence (HBV) and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBV they should inform the DSL who will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

6.8 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation-procedural information](#) Home Office (December 2015)

6.9 At Notre Dame High School we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fm@fco.gov.uk

Preventing radicalisation and extremism

6.10 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. At Notre Dame High School, we will ensure that:

- Through training, staff, volunteers and governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in school and how to respond when concerns arise.

- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.
- The DSL has received Prevent training and will act as the point of contact within our school for any concerns relating to radicalisation and extremism.
- The DSL will make referrals in accordance with [Norfolk Channel procedures](#) and will represent our school at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Peer on peer abuse

6.11 We recognise that children are also vulnerable to physical, sexual and emotional abuse by their peers or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same [safeguarding children procedures](#) will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to peer on peer abuse; it must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'.

6.12 At Notre Dame High School all staff are trained so that they are aware that safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- upskirting which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

6.13 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about peer on peer abuse. The DSL will respond to any concerns related to peer on peer abuse in line with guidance outlined in Part five of 'Keeping Children Safe in Education' and '[Sexual violence and sexual harassment between children in schools and colleges](#)' (May 2018). We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.

6.14 We will work with other agencies as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that

we ensure we are offering the right support to the child(ren). Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in school whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on The Harbour Centre website.

Safeguarding responses to children who go missing

6.15 At Notre Dame High School all staff should be aware of the safeguarding responsibilities for children who are missing education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual abuse or exploitation, and to help prevent the risks of their going missing in future.

6.16 At Notre Dame High School we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who missing:

- An attendance register is taken at the start of the first session of each school day and once during the second session;
- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from school;
- The DSLs will meet regularly with the Attendance Lead, SENCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- When removing a child from roll at the standard and non-standard transition points we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

A child going missing from an education setting is a potential indicator of abuse or neglect, including sexual abuse or exploitation (further advice in guidance about children who run away or go missing from home or care 2009). The school will inform the local authority and provide relevant information of any student who goes missing from education so the relevant services can engage with them. The school will work supportively with students at risk of becoming CME to maintain engagement with education, working with outside agencies where appropriate (eg. YOT, Medical needs team). If after a month the situation has not been resolved, the Attendance Lead will complete and send a CME1 file to the local authority.

Mental Health

6.17 At Notre Dame High School all staff are made aware, through training, that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

6.18 We understand that where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences, can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *also* a safeguarding concern, they should take immediate action by passing the information on to a Designated Safeguarding Lead.

6.19 At Notre Dame High School we have clear systems and processes in place for identifying possible mental health problems and work with other agencies as required to respond to these concerns. Designated Safeguarding Leads make reference to the [Mental Health and Behaviour in Schools'](#) DfE guidance for further support.

7. RECORDS AND INFORMATION SHARING

7.1 If staff are concerned about the welfare or safety of any child at our school they will record their concern on the agreed reporting form (Appendix 3). They should ensure that the form is signed and dated. Any concerns should be passed to the DSL without delay.

7.2 Any information recorded will be kept in a separate named file, in a secure cabinet and not with the child's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

7.3 Child protection information will only be kept in the file and this file will be kept up to date. Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored here. All our safeguarding files will include; a chronology, contents front cover and will record significant events in the child's life.

7.4 When a child leaves our school, the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school in an appropriately agreed manner. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery. Where a parent elects to remove their child from the school roll to home educate, the school will make arrangements to pass any

safeguarding concerns to the Services to Home Educators Team within Norfolk County Council.

7.5 Operation Encompass. At Notre Dame High School we are working in partnership with Norfolk Constabulary and Norfolk Children's Advice and Duty Services (CADS) to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve this, Norfolk Multi-agency Safeguarding Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the '*Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Schools*'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

8. WORKING WITH PARENTS & CARERS

8.1 Notre Dame High School is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

8.2 When new pupils join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to make a referral to Children's Advice and Duty Services (CADS).

8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to safeguard a child from harm.

8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the DSL making a referral to Children's Advice and Duty Services (CADS) in those circumstances where it is appropriate to do so.

8.5 In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives;

- Full names and contact details of all persons with parental responsibility (if different from above);
- Emergency contact details (if different from above);
- Full details of any other adult authorised by the parent to collect the child from school (if different from the above).

The School will retain this information on the pupil file. The school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the school has been supplied with the adult's full details in writing.

9. CHILD PROTECTION CONFERENCES

9.1 Children's Advice and Duty Services (CADS) will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually the person representing the school at these meetings will be the Headteacher or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

9.3 All reports for child protection conferences will be prepared in advance using the guidance and template [report](#) provided by the NSCP. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.

9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Advice and Duty Services (CADS) or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

10. SAFER RECRUITMENT

10.1 We will ensure that the Headteacher and at least one member of the Governing Body have completed appropriate safer recruitment training. At all times the Headteacher and Governing Body will ensure that safer recruitment practices are followed in accordance with the requirements of *'Keeping Children*

Safe in Education, DfE (2020). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 At Notre Dame High School we will use the recruitment and selection process to deter and reject unsuitable candidates. We require evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear about them, we will undertake Disclosure and Barring Service checks and use any other means of ensuring we are recruiting and selecting the most suitable people to work with our children.

10.3 We will maintain a Single Central Register (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements.

11. SAFER WORKING PRACTICE

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

11.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy on safe restraint (found in our Behaviour for Learning policy) and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps training will be kept by the Headteacher.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in '[Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#)' (October 2015). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF & VOLUNTEERS

11.1 Our aim is to provide a safe and supportive environment which secures the well-being and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. There may also be circumstances where a member of staff or volunteer is involved in an incident outside of school/college which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

12.3 We will take all possible steps to safeguard our children and to ensure that the adults in our school are safe to work with children. We will always ensure that the procedures outlined in [Norfolk Safeguarding Children Partnership Protocol: Allegations Against Persons who Work with Children](#) and Part 4 of 'Keeping Children Safe in Education', DfE (2020) are adhered to and will seek appropriate advice. The first point of contact for schools regarding LADO issues is via the Local Authority Duty Desk on 01603 307797. A duty advisor will give advice and guidance on next steps. If the advice is to make a referral to LADO then a form should be completed. Direct contact details for the LADO are e-mail: LADO@norfolk.gov.uk or telephone 01603 223473.

12.4 If an allegation is made or information is received about any adult who works in our setting which indicates that they may be unsuitable to work with children, the member of staff receiving the information should inform the Headteacher immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Headteacher, this will be reported to the Chair of Governors. In the event that neither the Headteacher nor Chair of Governors is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Headteacher or the Vice Chair of Governors.

12.5 The Headteacher or Chair of Governors will seek advice from the LADO within one working day. No member of staff or the governing body will undertake further investigations before receiving advice from the LADO.

12.6 When using a supply agency, we inform the agency of our process for managing allegations against staff and keep them up to date with any policy developments. Where concerns are raised about an individual and the school is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the school will usually take the lead in conducting an investigation as we have direct access to any affected children and other school staff to collect the facts.

12.7 Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact the LADO directly on 01603 223473. Further national guidance can be found at: [Advice](#)

[on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

12.8 The School has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.

Appendix 2: Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our school we take this responsibility seriously.

If you have any concerns about a child or young person in our school, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be found within all departmental work areas, at main reception and in the staff room. Please ensure you complete all sections as described.

If you are unable to locate them ask a member of the school office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation concerning a member of staff, a child's foster carer or a volunteer should be reported immediately to the Headteacher. If an allegation is made about the Headteacher you should pass this information to the Chair of the Governing Body. Alternatively, you can contact the Local Authority Duty Desk on 01603 307797. Staff can call: 0800 028 0285 – line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.
