7. GCSE MFL exams in additional languages

NDHS is an ethnically diverse community with a relatively high number of EAL students for the region. It is important that students who may speak an additional language (other than English) at home to be able to continue to use this first language and, where possible, have the opportunity to take an additional GCSE exam in this language at school or, if not, are informed by the school as to how to make arrangements to do so independently of the NDHS exam system.

The school is therefore keen to support requests from all students in Year 11 to enter an additional GCSE in their first language with the following conditions:

A letter will be sent annually in October to all students in Year 11 to gauge potential interest of taking an additional MFL GCSE (outside of French, Japanese and Spanish)

If there are 5 or more students who request to take a specific language at GCSE, the school will attempt to fulfil this request (using contacts from other local centres to administer the oral section) These exams will be held in the summer exam period in Year 11. This may not always be possible due to the school being unable to obtain an examiner to administer the speaking unit of the exam. The school will fund all additional MFL language exams taken at NDHS.

As a school who has opened its doors to refugee students, we will endeavour to enable them to take a GCSE in their first language regardless of the number of entries, but such entries are reliant on the school finding a suitable adult to administer the oral part of the exam which might not be possible on all occasions. These students will usually take their GCSE in the summer of Year 10 to enable them to focus on their other GCSE subjects in Year 11.

As French, Japanese and Spanish are currently taught as part of the main school curriculum students requesting to take these languages as an additional GCSE will be able to take them in the summer exam season of Year 11 using the already established NDHS exam system. They will produce work in this extra language and sit the mock exams in Year 10 and Year 11

No lessons will be provided in school for any additional languages, and preparation will be in the form of independent study.

If there are less than five student requests for a specific language, due to the additional administrative tasks involved, time constraints and difficulties associated with finding examiners to conduct and administer the speaking part of the exam for a small cohort of students the school will not attempt to administer the exam.

For students unable to take the requested exam at school (see above), the school will signpost parents and students, where possible, as to how the exam maybe be taken independently from the school as a

private candidate. This will include links to past GCSE papers for exam practise, exam board websites and a link to find centres that will accept private candidates.

Arrangements and fees will then be made directly with the centre that is accommodating the student.

8. Managing invigilators and exam days

8.1 Managing invigilators

External invigilators will be used for all internal and public exams apart from Year 12 mocks.

The recruitment of invigilators is the responsibility of the Exams Manager.

Securing the necessary Disclosure and Barring Service (DBS) clearance for new invigilators is the responsibility of the Head teacher's PA in conjunction with the Exams Manager.

DBS fees for securing such clearance are paid by the centre.
The annual DBS update service cost will be paid by the centre.

Invigilators are timetabled, trained and briefed by the Exams manager.
Invigilators' rates of pay are set by the MAT Director of Finance and-Operations.

8.2 Exam days

The Exams Manager will book all exam rooms after liaison with the Cover Manager and make the question papers, other exam stationery and materials available for the Senior Invigilator.

Site management is responsible for setting up the allocated rooms in liaison with the Exams Manager.

The Lead Invigilator will start all exams in accordance with JCQ regulations.

Senior members of centre staff, such as Assistant Head teachers, approved by the Head of Centre, may be present at the start of exams as per JCQ requirements.

In practical exams, subject teachers may be on hand in case of any technical difficulties.
No teachers are allowed in the exam room.

Exam papers must not be read by invigilators (unless a query is raised to the Exams Manager) or subject teachers or removed from the exam room during the exam.

Exam scripts will be checked and sent off the same day (if possible) by the Exams Office staff.
If not, they will be locked in the secure cabinets in the secure room, until collection the following day.

Papers will be distributed to heads of department the following day.

Disruptive candidates are dealt with in accordance with JCQ guidelines and NDHS behaviour Policy.

If Candidates have to leave the exam room for a genuine purpose requiring an immediate-return to the exam room, an Invigilator must accompany them at all times, and record it on the required paperwork.

The Exams Department with support from the pastoral team will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines and NDHS absence procedures.

Heads of Department will ensure all NEA is ready for despatch at the correct time & take it to the Exams Office where it will be signed for. The Exams Manager will post and keep a record of what has been sent when and to whom.

Marks for all internally assessed work are provided to the Exams Office by the Head of Department on the appropriate paperwork by the deadline set by the Exams manager.

10.2 Internal Appeals against internal assessments

It is a JCQ requirement that centres are required to publish an *Internal Assessment Appeals Procedure*, which is available from the Exams Office, in the staff policy folder, emailed to HODs and is published on the school website.

Students must be informed of their marks (not grades) in good time to allow them to request a review of the centre's marking.

They will be provided with the mark scheme when receiving their assessment marks.

The main points are:

- Appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded.
- Candidates may appeal if they feel their work has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.
- Appeals should be made in writing using the form *IA1-Internal Review of Marking Request Form* and in line with the dates that are stipulated on the procedure document. This form must be handed in to the Exams Manager within the timescale.
- Candidates will be notified in writing of the outcome by the Assistant Head, Exams, copied to the Exams Manager and recorded for awarding body inspection.

11. Malpractice

The Head of Centre/Head of School is responsible for reporting all suspicions or actual incidents of malpractice to the relevant exam board.

The JCQ document *Suspected Malpractice in Examinations and Assessments* is key.

In practice, this is delegated to the Deputy Headteacher - Exams working with the Exams Manager as applicable, the reporting teacher and the relevant Head of Department and/or Leadership Team (LT) link as necessary.

Teaching staff are expected to be aware of their awarding body guidance on Malpractice as part of their professional practice if conducting NEA.

All HoD's are sent electronic copies of the JCQ documents *Instructions for Conducting non-examination assessments (NEA)* in September.

All HoDs and teaching staff must be aware of potential instances and the procedures in place for reporting to be referred to as NDHS *Malpractice Procedure* – report any concerns to the Head of Department.

There is a reporting form *Reporting Form for Suspected Malpractice–Blue Form* to complete if there is suspected malpractice which needs to be filled in and copied to the HoD and passed to the Assistant Headteacher-Exams. This form can be found as an Appendix to this document, and hard copies will be given to HoDs and can be found in the Staff Room.

Refer to the centre specific Malpractice Policy, for more information.

12. Results, Review of Results (RoR) and Access to Scripts (ATS)

Candidates will receive their results electronically on the morning of the published date.

The Data team are responsible for sending results via the student's school email.

Results will only be sent to the student's school email address and no other account.

All communication regarding results queries, reviews and scripts must be via the student's school email address.

Guidance and support will be available on site for students through a booking service.

Senior staff are required to be available to offer guidance & support. This group is pre-arranged by the Assistant Head, Exams.

Arrangements for the school to be open on results days are made by the Head of Centre.

The provision of staff in for the distribution of results (if the school is open) is the responsibility of the Exams Manager.

The provision of Teaching/Pastoral staff is the responsibility of the Leadership Team.

12.2 Review of Results (RoR)

Review of Results may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. Written consent, (using the correct form) must always be obtained from the student as the marks could go up or down. This cannot be obtained before the release of results.

Students pay for their own requests unless the school wishes to submit requests (following candidate's consent) and then they will pay.

If students would like advice from their subject teacher prior to applying for a review it is up to them to liaise with the teacher directly and not via the Exams Office. Any advice is at the discretion and availability of any member of staff

There is no obligation for the HoD/teacher to review the paper, it will be up to the individual.

Appeals- If a candidate or the centre is still concerned following the outcome of the review there is a process to appeal. Refer to *JCQ document Post-Results Services*. This is to be used in conjunction with *NDHS Procedures and Appeals for students following 'Enquiry about results' which is a JCQ requirement*.

12.3 Access to Scripts (ATS)

Students may request their scripts back to support reviews of marking and will pay for these (if applicable) at the time of the request.

Centre staff may also request scripts for investigation or for teaching purposes with written consent (on the correct form) from candidates and must be obtained after the publication of results and not before.

Students who are concerned about their grade can request a 'priority' script back to help with the decision as to whether to apply for a review of marking.

There is a very quick deadline for this.

Reviews cannot be applied for once the original script has been returned.

Information and deadlines for all Post -Result Services are sent to students electronically prior to the end of the summer term and are uploaded to the school website. Also refer to JCQ document *Post-Results Services*.

The Exams Manager will inform all HoDs in person and staff by the Bulletin of the information and deadlines in July so they are prepared on Results Days.
