

**Programme date: 3<sup>rd</sup> July – 7<sup>th</sup> July 2023**

**Programme duration: 1 week**

**Deadline for applications: Thursday 20<sup>th</sup> April 2023**

### **About the Programme**

During the 30+ hours work experience, you will be supported to develop skills to improve your employability and be provided with lots of information about a career in accountancy and the NHS. This will include details of the various routes into the profession including information on both school leaver and graduate opportunities. There will also be an opportunity to learn about the wide range of accountancy and finance roles within our organisation and the wider NHS.

### **About Us**

The Norfolk and Norwich University Hospitals NHS Foundation Trust is one of the largest employers in Norfolk, with a team of over 9,000 staff working together to provide care for our local population and is also the 6th largest acute teaching hospital in the UK. The Trust provides services through its main hospital site in Norwich, at Cromer Hospital, and the Jenny Lind Children's Hospital. Many of the Trusts support functions, including most roles within the Finance Department are based in Norwich city centre, at our offices in Rouen Road.

### **About Access Accountancy**

The Norfolk and Norwich University Hospitals NHS Foundation Trust is proud to be part of an ambitious collaboration of employers and professional bodies, dedicated to improving access to the accountancy profession. Access Accountancy's mission is to increase awareness and aspirations among young people to join the accountancy profession. Our vision is to be a profession that is more representative, at all levels, of the socio-economic demographic of wider society. For more information, please see [www.accessaccountancy.org](http://www.accessaccountancy.org)

### **What we are looking for**

- We are looking for candidates studying a level 3 course with an interest in Accountancy as a future profession and with a grade 4 or above in Maths and English at GCSEs.
- Attend a state school or college between the age of 16 and 18
- Are or have been eligible for free school meals in the last six years; or - attend a school that is above the regional average in terms of number of students eligible for free school meals
- Their parent / guardian or carer had not achieved a degree level qualification by the time the student was 18.

*Working as a Finance professional within the NHS is a hugely rewarding role and we are keen to encourage students with an interest in accountancy to come and experience just some of what that might be like, and how we support the clinical teams, so they are able to provide the best patient care in our Hospitals.*

## How to Apply

To apply we are asking for students to complete an online application form – this can be accessed through this link: <https://forms.office.com/r/rfmvVXiUnz>. Students will be contacted the week after the deadline to confirm if they have been successful with their application.

As there is process with checks to complete before you can start the programme, please keep an eye on your emails (and your junk folder) on a daily basis. If you have not heard about your application following this date, please contact us at [skillsacademy@nnuh.nhs.uk](mailto:skillsacademy@nnuh.nhs.uk).
