The screenshot shows a multi-step application form for Notre Dame. At the top left, there is a logo with three stars and the text 'NDHS e-FORM'. Below the logo, a progress bar indicates five steps: Step 1 (Student's Basic Details), Step 2 (Parent/Carer), Step 3 (Student's Education History), Step 4 (Courses), and Step 5 (Confirmation of details). Step 1 is currently active and highlighted with a blue bar. The form is titled 'Student's Basic Details' and includes a sub-heading 'Student's Basic Details' with a help icon. Below the title, there is a instruction: 'Please enter the personal details of the STUDENT applying to Notre Dame.' The form is divided into two columns. The left column contains fields for: 'Student's Legal Forename\*' (with a note: 'Legal names are defined as those stated on the child's birth certificate unless changed by a subsequent legal process. They will be used for public examinations such as GCSE's'), 'Student's Legal Surname\*', 'Student's Middle Name', and 'Student's Date of Birth\*' (with the example value '12/12/2004'). The right column contains fields for: 'Student's Preferred Forename', 'Student's Former Surname (if applicable)', 'Student's Gender\*' (with a dropdown menu showing 'Female'), and 'Student's Preferred Pronouns'. Below these fields, there is a section titled 'Student's Current Home Address' with four fields: 'Postcode\*' (with a note: 'Type here to search your postcode'), 'Flat name and or number', 'House name or number\*', and 'Street\*'. Each of these four address fields has a character count indicator at the bottom right, showing '0 character(s) remaining' or '40 character(s) remaining'.

# Courses and Predicted Grades

- Predicted grades from your Summer report have already been added to your application.
- This page calculates the points total from your Best 8 Results. Use this as a guide to compare against our entry requirement of 42 points. You can still apply if your predicted grades are below 42 points. It's your actual GCSE exam grades that will count on enrolment day.
- On the courses page you can select 3 or 4 subjects to study at A-Level. You can change your A-Level choices later in the process through this section.
- Check our website for specific entry requirements for each subject.
- We recommend that everyone applies to more than one school/college in case you need a back-up plan on GCSE results day.

# Things to remember

- You will need your parent's contact information (email address, phone numbers etc..) to complete your application.
- NDHS Sixth Form open evening takes place on **Thurs 9<sup>th</sup> November 2023**.
- Applications close on **18<sup>th</sup> December 2023**.
