## Tom Gates Series by Liz Pichon

Tom Gates is the master of excuses for late homework: dog attacks; spilt water; and, lightning.

Tom's exercise book is full of his doodles, cartoons and thoughts, as well as comments from his long-suffering teacher, Mr Fullerton.

After gaining five merits for his "Camping Sucks" holiday story, Tom's work starts to go downhill - which is a pity, as he's desperate to impress Amy Porter, who sits next to him.

# World of Norm series

by Jonathan Meres

Why on earth did Norm's family have to move, anyway? In their old house he'd never tried to pee in anything other than a toilet. And when Norm is in bed, he's kept awake by his dad snoring like a constipated rhinoceros!

Will life ever get less unfair for Norm?

# Geekhood – Close Encounters of the Girl Kind by Andy Robb

Fourteen-year-old Archie is a Geek to his core.

In the world of role-playing games, he's a Level 5 Mage, capable of summoning the Undead. In this world, things are rather different. With no rule book to navigate Life's Big Challenges – warring parents, a crass step-father, orc-like school bullies and crap hair – he's teetering on the brink...

Then a Beautiful Girl appears in his Geeky world... Despite the fact that the closest he's come to an encounter with a girl is painting an Elven miniature, Archie embarks on a Daring Quest to win her heart.
