

Maths Key Dates and advice

- Paper 1 Non Calculator paper 80 Marks (21st May 2019, 1 hr 30 min),
- Paper 2 Calculator paper 80 Marks (6th June 2019, 1 hr 30 min),
- Paper 3 Calculator paper 80 Marks (11th June 2019, 1 hr 30 min)

You should be ACTIVELY revising using any of the options on the following pages. Maths is about DOING and there is a need to practice questions and learn from mistakes. Anything you still cannot understand can be brought back to your classroom teacher and discussed.

Maths support at NDHS

- 1) **Google classrooms Year 11 Maths (pcfqp5)** contains excellent support and includes
 - ✓ Formulae sheets
 - ✓ Topic revision tasks
 - ✓ Past Papers and their solutions
 - ✓ Extended revision advice from past students
- 2) Those of you who have a **one-to-one tutor** can now request specific topic revision depending on your own individual needs
- 3) We will run a **revision day** during the May half term which can also provide a boost
