### Ever fancied having a go at coding but not sure where to start?

Aviva UK and QA (a leading technical training provider) have joined up to bring to you a free, online one-day coding workshop that will get you confident in the basics of Python programming.

### Who should attend?

Anyone who has an interest in learning how to code. This workshop is well suited to those with little to no knowledge of Python or other programming languages. It would also act as a nice refresher for those who want to stay up to date in their skills as well as for those who would like to expand their knowledge of the libraries available in Python.

### What will I learn?

- Learn all the coding fundamentals in Python
- Understand core syntax and semantics in Python
- Solve logical puzzles with Python code
- Work with basic data structures
- And so much more!

### What if I have no idea how to code?

No problem. The hands-on, interactive workshops are delivered by coding experts and are designed in a way that's easy to understand regardless of your background and level of knowledge or experience.

### Sounds great, how can I secure my place?

To learn more and sign up, select your preferred date:

- [Saturday 5 February](#) (09:30 – 16:30 GMT)
- [Saturday 12 February](#) (09:30 – 16:30 GMT)

Upon workshop completion, you will also receive a Certificate of Achievement and Social Badge to show off your newly acquired skills. So, what are you waiting for? Get future ready with in-demand digital skills.

### Fancy a new opportunity with an Apprenticeship in Tech?

If you're curious and passionate about what tech can do, we have a whole host of apprentice roles that might suit you. And you don't need to have studied a technology subject or worked in tech to join us. To find out more, take a look at our [dedicated web pages](#).

## CELEBRATING NATIONAL APPREICESHIPS WEEK IN SCHOOL

7-11<sup>TH</sup> FEBURARY

Week commencing the 7<sup>th</sup> of February we will be introducing the pupils to Apprenticeships.

We will be sharing information and exploring the options of apprenticeships in lessons and form time. Year 9 will extend this research in their PSHEE lesson in February.

Staff will share videos explaining how apprenticeships work in their subject areas. At the end of the week, we will have our usual form time quiz linked to careers.

Please explore the apprenticeship page of the NDHS website to find out more.
