

CAREERS BULLETIN

"I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed." —Michael Jordan

About the experience

With the Hogan Lovells First Steps to Law Programme, you'll get to experience what it is like to work on a project that mirrors the skills our teams have and the work they do in the real world. Build skills in gaining commercial awareness, critical thinking, spotting issues, legal research, drafting emails and communication.

Whether you already have an idea about what you want to do when you leave school or are still exploring, the Hogan Lovells First Steps to Law Programme will give you a taste of what a career in commercial law might look like for you!

Workplace Skills

Gain practical skills and experience to better prepare you for the world of work. Programmes are self-paced so you can learn on your own time.

Based on Real life

Learn more about what you will actually do on the job by completing a series of hypothetical tasks based on real life scenarios.

Application Advantage

Gain a certificate to share and add to your resume. You'll stand out on your application and have something tangible for your interview.

Year 9 Speed Networking Event

12TH JANUARY

On Wednesday 12th January, we will be welcoming in a number of visitors from a selection of job sectors for our Year 9 Speed Networking Event. Students will spend the afternoon in conversation with our guests, having the opportunity to ask them about their sector, role and career paths. We hope that this opportunity will provide some experience for students to reflect upon when considering their GCSE preferences and how their choices could affect their progression into a future career.
